

City of Albuquerque Golf Training Center  
9401 Balloon Museum Dr NE  
Albuquerque, NM 87113

June 12, 2018  
11:00 am – 7:00 pm

## **Exhibitors**

<b>Vendor</b>	<b>Product Summary</b>	<b>Factory Rep</b>
AQC	Pre-Insulated Underground, Indoor and Outdoor Duct Systems	
Critical Room Controls	Room Pressurization Products and Controls for Containment Applications, Laboratories, Operating Rooms, Healthcare	Steve Duerkop
Daikin AC	VRV Systems	Geoff McBride
Daikin Applied	Chillers, AHUs, Rooftop Units, Fan Coils, Controls	various
Daikin Comfort	Light Commercial DX Rooftop Units	
Desert-Aire	Dehumidification and Dedicated Outdoor Air Systems	Jim McKillip
Hunter Fan	Industrial High Volume Low Speed Open Space Fans	Brent Fields
IMI Flow Design	Automatic, Manual and Pressure Independent Hydronic Balancing Valves	Hailey Mick
iWorx	Building Management, Monitoring and Control Systems	
Krueger	VAVs, Terminal Units, Air Distribution	Nick Stuckwish
Nederman	Vehicle Exhaust and Workshop Extraction Systems	Robert Hotchkiss
PennBarry	Commercial and Industrial Fans	Togy Phillip
Prihoda	Textile or Fabric Ducting and Diffusers	
Ruskin	Dampers, Louvers, Sunshades, Penthouses, Flow Measuring	Carson Cates
Varitec Aftermarket Parts	Components, Parts and Accessories for Name Brand HVAC Equipment	Gary Grange Mary Archuleta
VMC	Seismic and Vibration Control for Building Systems	Danielle Taylor

## Schedule

Time	Fun and Entertainment			Education - Show Up and Learn!	
Location ->	Main Hall	Main Hall	Main Hall	Tent #1	Outside
11:00 - 11:30	Food and Soft Drinks	Exhibitor Displays		Inverted Chiller Operation	Daikin Innovation Roadshow - Trailer
11:30 - 12:00			Raffle		
12:00 - 12:30				AHUs - Flexibility is Standard	
12:30 - 1:00			Grill Raffle		
1:00 - 1:30				Optimizing VRV Systems	
1:30 - 2:00			Raffle		
2:00 - 2:30				Lab and Healthcare Space Pressurization and Comfort Control	
2:30 - 3:00					
3:00 - 3:30				Daikin Chillers	
3:30 - 4:00					
4:00 - 4:30		Bar Opens		Balancing Hydronic Flow	
4:30 - 5:00			TV Raffle		
5:00 - 5:30				Mechanical Design of Indoor Grow Rooms	
5:30 - 6:00			Grill Raffle		
6:00 - 6:30					
6:30 - 7:00			Raffle		

Course Topic	Vendor	Presenter	CE Hours	Time (min)	Course Description
Inverted Chiller Operation	Daikin Applied	Daikin Applied	Y	50	Explore chiller operation and application when condenser water is colder than supply water. We will also cover associated theory and components of such operation
AHUs - Flexibility is Standard	Daikin Applied	Daikin Applied	Y	50	With more features and options, a standard AHU can now compare to custom performance at a much more economical operating point.
Optimizing VRV Systems	Daikin AC	Geoff McBride	Y	50	Methods for optimizing design from mixing of heat pump and heat recovery systems to block load analysis and pitfalls of oversizing the system.
Lab and Healthcare Space Pressurization and Comfort Control	CRC	Steve Deurkop	Y	50	Proper design for pressurization control in Laboratory and Healthcare applications to optimize Energy Efficiency. Including critical components such as Air Valves, Value of Real time Airflow Measurement, Air Change Requirements, Temperature Control.
Daikin Chillers	Daikin Applied	Daikin Applied	Y	50	Learn about Daikin Chillers
Balancing Hydronic Flow	IMI Flow Design	Hailey Mick	Y	50	What happens to the hydronic system without balance? Overview of manual and automatic balancing technologies.
Mechanical Design of Indoor Grow Rooms	Desert-Aire	Jim McKillup	Y	50	Discussion of load estimation for plants and the impact of lighting schedules, plant size, watering amount, humidity and temperature.

## ***Fun and Entertainment***

Entrance Fee	None. But bring a business card. We'll need it for the Rodeo Raffles.
Food and Soft Drinks	Meat and Beans of Course! Ribs, buffalo wings, BBQ baked beans, corn bread, grilled veggies, soft drinks.
Bar Slide	Catch that Mug! Bartender may toss you a cold one, Western style!
Raffles	Put your Business Card to Good Use! Raffles include some very nice gifts. The Grill Raffles include an Outdoor Food Prep Grill by Disc-It.

## ***Raffles and Prizes***

<b>Prizes</b>	<b>Description</b>	
"Disc-It" Outdoor Grill	Custom Grill by Disc-It, also known as a "Texas Wok". The swiss army knife of outdoor cooking.	
Flat Screen Smart TV	Samsung 43" flat screen UHD Smart TV. Courtesy of Krueger.	
Other Raffle Prizes	Gift Cards, Gift Baskets, Golf Accessories, Apparel. Courtesy of our Exhibitors.
